_____ (Name)

_____ (Address)
Manchester, MO _____ (zip)

Phone(s): _____

Email: _____

**Please return this portion to:
Citizen Corps Volunteer Coordinator
Attn: Lt. Tim Walsh
14318 Manchester Road
Manchester, MO 63011**

Return of this form is without obligation.

The objective of the **Citizen Corps Council of Manchester, Missouri** is to make the City of Manchester safer, stronger, and better prepared to respond to the threats of terrorism, crime, public health emergencies, and disasters of all kinds by harnessing the power of every individual within the City through education, training and volunteer services.

These objectives will be accomplished by building partnerships among the City of Manchester, its residents, its businesses and the organizations within the community.

CERT is your answer to being prepared!

What will **you** do in the 72 to 100 hours after a disaster strikes (natural or man-made)?

This free 20-hour training course teaches you the appropriate action to take to assist your family and neighbors and safeguard your property.

This program is a focus of The Citizen Corps Council of Manchester, Missouri (CCMM).

Won't you share your talents and become a part of this valuable training?

- ✓ What is happening in your neighborhood?
- ✓ Are you aware?
- ✓ Are your neighbors watching your block?
- ✓ Is there a team in place to watch over your children and property?

This program is a focus project that deserves your support!

A future goal of the Citizen Corps organization is the recruitment, training, and support of volunteers who choose to work in the areas of Fire, Police, and Medical Support Services. Through the **Medical Reserve Corps, Volunteers in Police Service** and the **Fire Corps** your contribution can make a difference.

This program is a long-range goal that will be driven by interest and involvement. Citizens should let their interest be known and are encouraged to begin their participation through the CERT curriculum and Neighborhood Watch.
