

How Do I Locate My Brick on the Map?

Steps for finding a brick using the City’s Online Mapping System.

1. Search

Use the Search box at the top right of the screen and enter any of the text engraved on the brick. Generally, just using 1 word is preferable. In our example, we’ve searched for Dierbergs. Then click the magnifying glass to the right of the Search box.

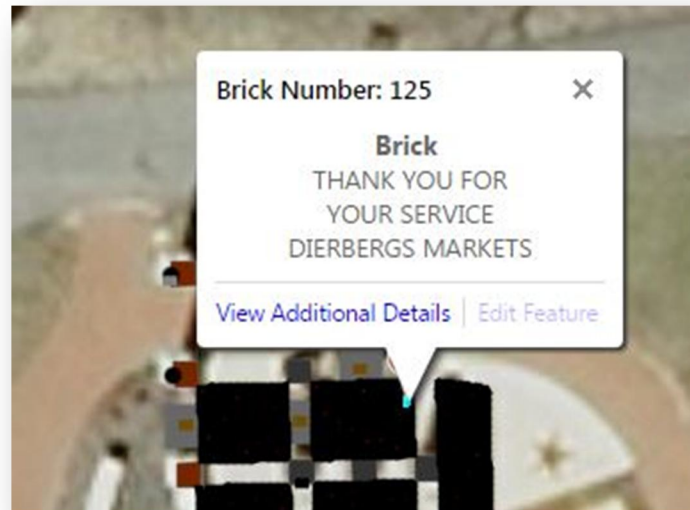

2. Find & Click on Red Indicator

A red indicator will appear on the map that looks like this:  Find the indicator on the map and click it.

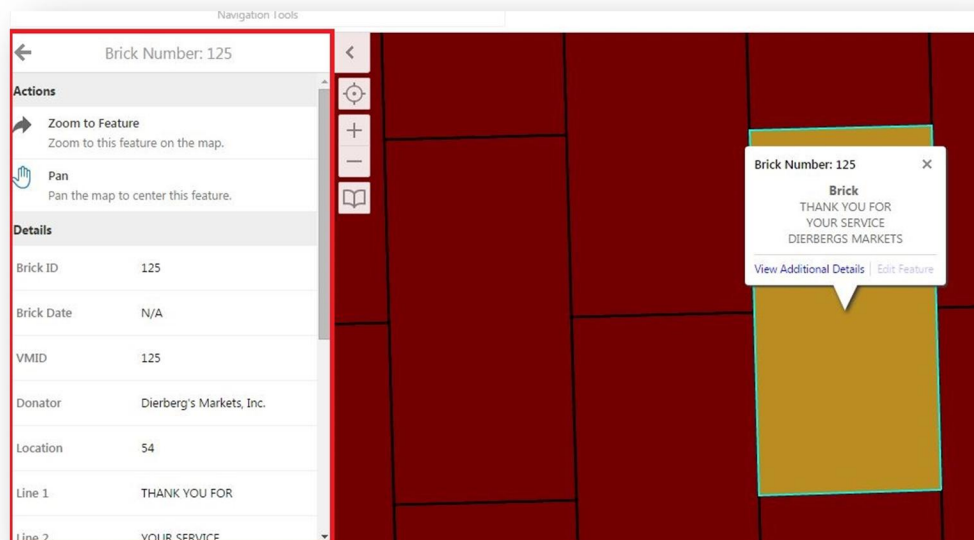

3. Click 'View Additional Details' in Pop-Up Box

A pop-up box will appear showing the inscription on the brick. Click the 'View Additional Details' link near the bottom of the pop up box.

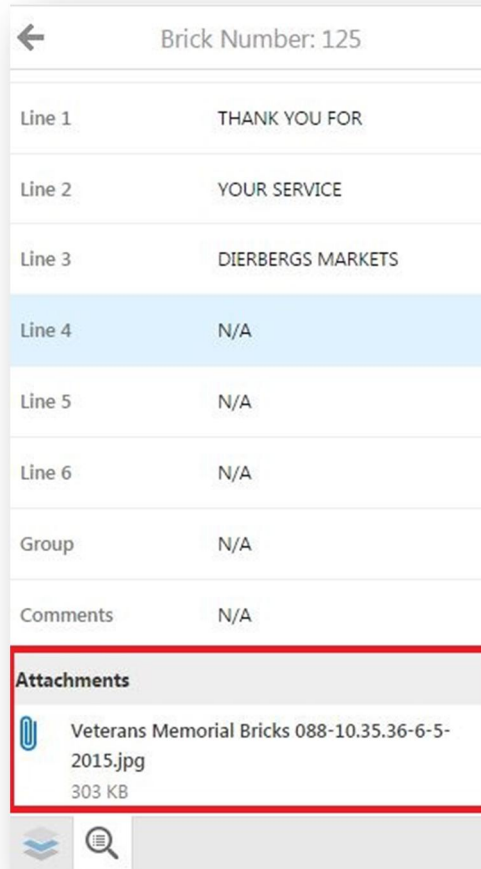

4. View Brick Details

Brick details will appear to the left of the map and the map will now be zoomed in on the brick you selected.

5. Scroll Brick Details & Find Attachments Section

Scroll to the bottom of the details box and you will find a section for Attachments.

6. Click Link in Attachments to View Photo of Brick

Click the link in the Attachments section to see a photo of your brick.
