## A LETTER FROM THE MAYOR

Dear Manchester business owners and managers,

I hope your business is emerging from closures, the loss of customers and the uncertainty of what to do next. For most of us, the question of “What to do next?” has not retreated into the past. In City government, we invoke that phrase regularly. City staff are budgeting for 2021 and there are a lot of questions about next year that remain concerning for us. Business owners have to be looking to next year with the same sense of uncertainty.

How can Manchester city government help you face the challenge of uncertainty? Here are some ways:

- Attend the upcoming small business gathering on October 8, at 7:30 a.m. We will meet at our Parks Building, 359 Old Meramec Station Road. City staff will be present to answer business questions. At this meeting we'll update you on St. Louis County's ongoing effort to distribute CARES government funding. Their effort has not always gone well. We want to hear from you! We will Q&A. Please wear masks. We will social distance and follow safety protocols.
- Stay in touch with City government. If you have questions or want to express a concern, please call Mr. Justin Klocke, at 636-227-1385, ext 106. As Manchester City Clerk, he will answer your question, find the answer, or direct you to the right City contact that can provide you the

- Please stay in touch with me! Call or e-mail me with your frustration or questions. I will advocate for your business to County, State or Federal Government officials. Over the last four months, I have stayed in close contact with our County Council Representatives and on occasion, sent angry letters to the County Executive and his staff. For successful communication, I need to hear from you!

To move forward, we must stay connected and informed!  
There is much we can do working together.

Thank you for doing business in Manchester!

## GET INVOLVED WITH MANCHESTER PARKS, RECREATION & ARTS

Manchester Parks, Recreation, & Arts Department is celebrating a socially distanced Halloween event in Schroeder Park!

### Halloween Heebee-Jeebee Jamboree

Friday, October 16 from 5:00-8:15pm in Schroeder Park  
Car decorating contest, costume contest, BINGO, games, prizes, give-aways, & more!

Over the past several months, the Manchester Parks, Recreation, & Arts Department has offered several programs and events where families could be at their cars to participate. These have been extremely popular! For the Heebee-Jeebee Jamboree, people will pre-register by the car. As they arrive, they will be assigned a parking space in our upper lot (at a safe distance from others). Each car will bring their own food, drinks, chairs, decorations for their car, etc. and will set up their area in front of their car. We will have BINGO and other games with prizes in addition to our contests.

We would love to include local businesses in this event! As a participant, you are welcome to walk around and pass out candy or goodies/logo items to everyone sitting by their cars. You could also walk around with a mobile game, such as a prize wheel. We will be able to have 32 cars at each of the two timeslots. Other options for businesses would be to sponsor a round of BINGO and provide the prizes, or provide prizes for the car decorating contest or costume contests. There is no cost for businesses to participate. For questions or to participate, please email Stephanie at [shardesty@manchestermo.gov](mailto:shardesty@manchestermo.gov).

The Parks Department will be hosting a socially distanced Halloween event for the community on Friday, October 16<sup>th</sup> from 5 – 8 pm. Lola and the Arthur Murray Dance Studio team has planned an incredible flash mob for the event. This would be a performance for the kids to Michael Jackson’s “Thriller”.

Lola’s crew is prepared to do the whole thriller, but if you aren’t a dancer, Lola has created three tiers of participation for everyone. No experience is necessary, all ages are welcome, and costumes are NOT required.

Tier 1 – People that really want to dance (We have a link that will teach you the whole dance for those who want to learn it).

Tier 2 – Intermediates – learn just a part of the dance and can jump in and out of the performance.

Tier 3 – Support – walking back and forth with one basic thriller step (We have a link to a video that will teach you the basic step)

Lola will also be hosting a rehearsal for anyone needing help learning the steps (this is not required to participate).

We would love it if you, your family, or friends want to help with this dance. It will be a fun night benefitting the kids in our community.

If you would like to participate, you can email Lola at [lola@arthurmurraystl.com](mailto:lola@arthurmurraystl.com) or Kat Schien at [kschien@manchestermo.gov](mailto:kschien@manchestermo.gov) to be on the communication list.
